OBJECTIVE

Enthusiastic MCA student with skills in Java, Python, web development, and database management. Experienced in developing academic projects and responsive web applications with strong problem-solving and communication skills

EDUCATION

FEDERAL INSTITUTE OF SCIENCE AND TECHNOLOGY

Master of Computer Applications | SGPA: 8.64

Ernakulam, India

Aug-2025 -Jul-2027

KRISTU JAYANTI (DEEMED TO BE UNIVERSITY)

Bachelor of Computer Applications | CGPA: 8.5

Bangalore, India

Aug-2022 -Jul-2025

TECHNICAL SKILLS

Technical Skills: Python, Java, VB.NET, Kotlin, MERN Stack (MongoDB, Express.js, React.js, Node.js), JavaScript, HTML5, CSS3, SQL.

Tools & Version Control: Git, GitHub, MySQL | **Soft Skills:** Leadership, Critical Thinking, Problem Solving, Teamwork

INTERNSHIP EXPERIENCE

Kristu Jayanti Software Development Centre

Frontend Developer Intern - 45 Days

- Developed 3+ responsive web pages using HTML, CSS, and JavaScript by testing and optimizing layouts for multiple screen sizes using browser developer tools.
- Replicated 5+ modern website designs and structured user-friendly web interfaces to strengthen practical frontend development and responsive web skills.

ACADEMIC PROJECTS

GitHub: <https://github.com/taniya221>

Blood Bank Management System

Kristu Jayanti (Deemed to be University) | Jan-2022– Mar-2025

- Constructed a Blood Bank Management System using VB.NET and SQL Server to manage donor records, blood availability and blood requests.
- Included modules Admin Login, Donor Management, Patient Management, Blood Donation, Blood Transfer and Dashboard Monitoring.

Math Quiz App

- Designed and implemented a Math Quiz Application using Kotlin in Android Studio to provide an engaging and interactive learning experience.
- Added features such as level-based quizzes, countdown timers, instant feedback, score tracking, random question generation, progress monitoring, and local data storage using SharedPreferences.

Portfolio Website

- Built a responsive personal portfolio website using HTML, CSS, and JavaScript to showcase front-end development skills, projects, and professional achievements.
- Created interactive UI elements, responsive layouts, and user-friendly navigation to enhance accessibility and user engagement.
